

A cluster of glass spheres composed into a delicate conical form that is light in structure, yet bold in presence. Evolving from Inflore, Grape continues our exploration of sculptural lighting and marks a natural progression of the collection. Especially suited as a statement piece for elegant and refined interiors.

Grape

Technical data

Power 25x1,7W
Voltage 220-240V
Frequency 50-60Hz
Dimming optional
IP20

Weight

Net weight: 2,1kg
Gross weight: 5kg

Package

750x750x200mm

Material

Steel, aluminium, borosilicate glass.

Finishes

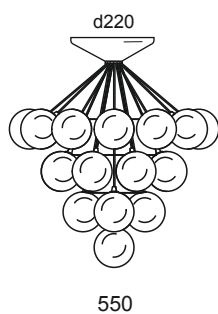

chrome, white.
